

## Directions to Ryders Lane Environmental Best Management Practices Demonstration Horse Farm

Note: Due to current road construction on Route 1, the entrance to the Ryders Lane Farm is off of Route 1 only.

### **FROM THE NORTH:**

- Take Route 1 South - **STAY IN THE FAR RIGHT LANE** after the Ryders Lane exits
- Stay in the right hand lane of Route 1
- At stop light go left, under Route 1 underpass
- Continue left after underpass (at the second light)
- Get into the right lane immediately
- Take the first right turn (sign says DOT Maintenance Yard)
- Proceed to the first right turn; turn right
- At 'Y' stay left (head towards large white barn)
- Park on the paved part of the parking lot or along road before or after the barn

### **FROM THE SOUTH:**

- Take Route 1 north
- After Route 130 exit get into far right lane
- exit at Technology/Devry exit
- Turn right just past the light (sign says DOT Maintenance Yard)
- Proceed to the first right turn - turn right
- At 'Y' stay left (head towards large white barn)
- Park on the paved part of the parking lot or along road before or after the barn

Note: If you miss the DeVry exit, proceed to the second Ryders Lane exit to get on Route 1 South and follow the directions above.
