

# EQUINE PASTURE WALK

*Presented by Rutgers University Cooperative Extension and  
Equine Science Center*

Join Rutgers University pasture specialists as they discuss pasture management while walking through our Best Management Practices Demo Farm. Topics to be covered include rotational vs. continuous grazing, how to evaluate your pastures, taking and reading a soil test, collecting a forage sample, along with answering all your pasture management questions.

**July 29, 2015**

5:30–8:00pm

Ryders Lane BMP Demonstration Horse Farm  
College Farm Rd and Ryders Lane  
New Brunswick, NJ
